

Art Gallery 2-Step Card

-Outside of card-

The card base is Basic White cut 8 1/2" x 5 1/2"
Score the 8 1/2" side at 4 1/4"

Cut a So Saffron layer at 4 1/4" x 5 1/2"

I cut the long edge with the Ornate Borders die (which has recently retired)

Next I embossed the Saffron Layer with the Ornate Floral embossing folder

Stamp your flower bud with So Saffron ink, then use Mango Melody for the 2-step

Stamp your leaves and stem in Just Jade, I wanted it a little lighter so I stamped it off onto my grid paper and then on to my white card stock

I cut out my flower, stem and words with the Floral Galleries Dies

Assemble with your favorite adhesive

-Inside of card-

Basic White piece that is 4" x 5" is stamped Happy Birthday from Sweet Ice cream stamp set
